

It's OK to make Mistakes

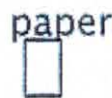

If I feel I make a mistake it is all right. Everyone makes mistakes.

After making a mistake I can go back and fix it. If I make the

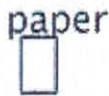

same mistake again, I can go back until I get it right. I can also

I need help

start my paper over. If I need help to correct my mistake or

I need help

start over I can ask for help by whispering not crying or yelling.

Everyone makes mistakes and it is ok.
